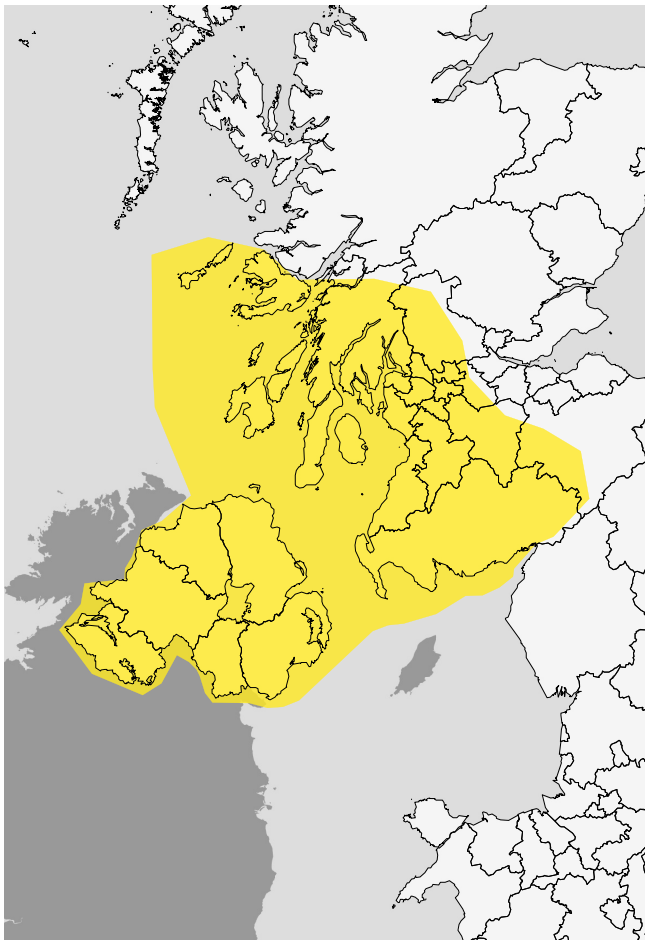
Yellow warning
Rain

Between
00:00 Sat 3 Sep 2022 and
23:59 Sat 3 Sep 2022



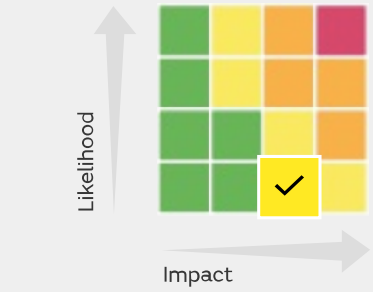
Occasional periods of heavy rain through Saturday may lead to travel disruption.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities will become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Further spells of heavy rain are expected through today. The heaviest rain is likely to be over parts of Scotland where a further 30 to 50 mm of rain is likely for some places, some of this falling in just a few hours and accompanied by thunder in a few spots. Over Northern Ireland rainfall totals are not expected to be as high, but 30 to 40 mm rain could fall in some places.



Very low likelihood of medium impacts
